**Comments:**  
 Chris Rystedt has requested MDU serve his grain bin. We have facilities 500 feet away and currently serve the house on this property. We serve several customers on this line that isn't in the city limits. We contacted Jerry King from Burke-Divide and notified him MDU plans on serving this customer.

Patrick, when you process this can you send me the temp authority as an email? Mail is slow and this customer want to use his grain bins ASAP. We already serve his farmstead. I checked both boxes on if the cooperative will protest. I'm not sure if the will they're looking into it and when they decide they will notify me and in turn I'll notify you.

Let me know if you need anything else from me.
