APPLICATION FOR PERMANENT AUTHORITY

MONTANA-DAKOTA UTILITIES CO., for its Application to the Public Service Commission of North Dakota, respectfully alleges:

I.

The full name of Applicant is Montana-Dakota Utilities Co., a Division of MDU Resources Group, Inc., and the post office address of its principal office is 400 North Fourth Street, Bismarck, North Dakota 58501. Applicant is a public utility subject to the jurisdiction of and regulation by the Public Service Commission of North Dakota, under Title 49, N.D.C.C., as amended. MDU Resources Group, Inc.'s Certificate of Incorporation is incorporated herein by reference, and the Commission is requested to take official notice of the same.

II.

This Application is made pursuant to the provisions of Chapter 49-03, N.D.C.C., as amended, and the Rules of Practice and Procedure promulgated by the Commission.

III.

Application has been requested by Fidelity Exploration and Production Company,

hereinafter referred to as "Customer," to provide electric service to it at a point located in the NW ¼ of Section 14, Township 139N, Range 98W, Stark County, North Dakota as shown on the map attached hereto, marked Exhibit A, and made a part hereof by reference. Correspondence to the Customer should be directed to:

Fidelity Exploration & Production Company
Attn: James Thielman
2010 Montana Ave
Glendive, MT 59330

IV.

The service required by Customer at said location is three phase service, and the length of the three phase line extension to the customer's property line will be approximately 6,100 feet. Roughrider Electric Cooperative (Roughrider Electric) is an electric supplier also providing electric service within the general area of this Customer. Montana-Dakota's extension of its three-phase underground service does not cross Roughrider Electric's facilities to provide service to the customer, whereas Roughrider Electric would need to cross railroad tracks and the Heart River to provide Service. It is Montana-Dakota's understanding that Roughrider Electric was notified of the Company's request for a Certificate of Public Convenience and Necessity by copy of this Application. The location of the proposed service is within the economic service area of Applicant and service will be extended under the provisions of the rules and regulations applicable thereto. It is Applicant's public utility obligation to furnish the requested service, and the public convenience and necessity requires, and will be served by, Applicant furnishing the requested service to this Customer at said location. Montana-Dakota will submit a

separate request for the Commission's temporary authority to provide the requested electric service.

V.

Submitted as Exhibit B with this Application is an Appearance by Customer herein, in which Customer states to the Commission that it desires electric service from Applicant as a public utility subject to the jurisdiction of, and regulation by, this Commission. In said Appearance, Customer also waives Notice of Opportunity for Hearing and Notice of Hearing upon this Application, or a hearing thereon, and requests the Commission to issue an Order and Certificate of Public Convenience and Necessity authorizing this requested and needed service.

VI.

WHEREFORE, Applicant requests the entry of an Order and Certificate of Public Convenience and Necessity authorizing Applicant to extend the requested and needed service to Customer.
