**Blue Jay Wireless, LLC  
Designated Eligible Carrier  
Application**

**Case No. PU-14-720**

**NOTICE OF OPPORTUNITY FOR HEARING**

**October 8, 2014**

On September 22, 2014, Blue Jay Wireless, LLC (Blue Jay), a foreign limited liability company with offices in Addison, Texas, filed an application for designation as an eligible telecommunications carrier (ETC) for the purpose of receiving federal universal service support for low-income consumers under 47 CFR Part 54 Subpart E. Such designation is also known as Lifeline-only ETC designation. Blue Jay proposes to provide wireless prepaid Lifeline universal services to qualifying low income North Dakota customers as a reseller of underlying carrier services provided by Verizon Wireless, T-Mobile, and Sprint.

The issues to be considered in this matter are:

1. Is the applicant qualified under the Telecommunications Act of 1996, Section 214(e) for designation as an ETC eligible to receive federal universal service funding?
2. What ETC universal service support area should be designated?
3. Is designation of the applicant as an ETC in the public interest?

Those interested are invited to comment on the application in writing. Persons desiring a hearing must file a written request identifying their interest in the proceeding and the reasons for requesting a hearing. **Comments and requests for hearing must be received by close of business on November 21, 2014.** If deemed appropriate, the Commission can determine the matter without a formal hearing.
