Dear Ms. Dassinger,

We have received your letter dated March, 17, 2015, concerning Case No. PU-14-720, Blue Jay Wireless, LLC's application for designation as an Eligible Telecommunications Carrier in the State of North Dakota. In your letter, you request the Commission proceed with issuing an order in this case prior to Blue Jay filing a copy of its initial USAC audit with the Commission and prior to the Commission's review of that audit.

The Commission requires that applicants requesting ETC designation file copies of their latest USAC audit and their most recent recertification report provided to the FCC and USAC, as indicated in Commission staff's letter to you dated October 13, 2014.

Please provide copies of Blue Jay's USAC audit and recertification report at your earliest convenience for the Commission's further evaluation in this case. You may contact me at 328-4188 with any questions.

Sincerely,

Julie Prescott
