RE: Dennis Clarke Haughian
Auctioneer License Cancellation

On June 9, 2014, Dennis Clarke Haughian asked the Commission to cancel his auctioneer license.

On July 31, 2014, the Commission was notified that the auctioneer bond issued to Dennis Clarke Haughian, Billings, Montana, would be cancelled effective October 9, 2014.

I recommend that the Commission issue an order cancelling the auctioneer license issued to Dennis Clarke Haughian. A corresponding motion and order are attached.
