RE: Requested Information for case file PU-14-730

Mr. Fahn:

This correspondence is a follow-up to our telephone conversation of January 31 in which you requested additional information for case PU-14-730.

Related to PU-14-730 BASH Project:

1. Attached is project CAD file showing the plot plan that is geo-referenced per your request and as specified in article 32 of the Certification Relating to Order Provisions – Transmission Facility Siting.
2. Per our phone conversation I can certify that no trees or shrubs were removed as part of the project.

If there are questions, please feel free to contact me.

Sincerely,

A handwritten signature in blue ink that reads 'Darren Snow' with a stylized flourish at the end.
