MOTION FOR ORDER OF DEFAULT

Public Service Commission Advocacy Staff (Advocacy Staff) respectfully seeks an order in default against Respondent, R.J. Corman Derailment Services, LLC (RJ Corman). In support of the motion, Advocacy Staff states the following:

MEMORANDUM

Pursuant to N.D.C.C. § 28-32-21(e) and N.D. Admin. Code § 69-02-02-03(1), a Formal Complaint “may inform the respondent that an answer to the complaint must be served upon the complainant and the agency with which the complaint is filed within twenty days after service of the complaint, or the agency may deem the complaint to be admitted.” On 3 March 2016, RJ Corman received the Formal Complaint filed with the Commission via certified mail. RJ Corman failed to respond to the Formal Complaint within the time allotted under N.D.C.C. § 28-32-21(e). Having failed to answer the complaint, the Commission may deem the Formal Complaint to be admitted by RJ Corman and “enter an order in default as the facts and law may warrant.” N.D.C.C. § 28-32-21(e).

BACKGROUND

On 10 October 2014, Jeremy Finnie of Enbridge Pipelines submitted a ND One-call complaint alleging RJ Corman failed to provide excavation or location notice at least 48 hours before beginning any excavation. On 13 October 2014, Commission Staff enclosed a copy of the ND One-Call Complaint to RJ Corman and requested a response and written account of the event, including the applicable One Call locate ticket number for work performed at the location listed in the ND One-Call Complaint. Although telephone contact was attained, no written response was provided to the Commission Staff.

On 3 February 2016, based on its investigation, Advocacy Staff filed a Formal Complaint alleging RJ Corman violated N.D.C.C. § 49-23-04(1) by failing to provide an excavation notice to the North Dakota One-Call Center at least forty-eight hours before beginning excavation. *See Attached Formal Complaint.* On 24 February 2016, the Commission found the Formal Complaint stated a *prima facie* case. Service of the Formal Complaint with Attached Exhibit 1 was initiated on 29 February 2016 via certified mail by Geralyn R. Schmaltz to R.J. Corman Derailment Services, LLC, 4780 Underpass Ave., Billings, MT 59101 (Cert. No. 7013 2270 0001 0313 9454); and R.J. Corman Railroad Group 101 R.J. Corman Drive, Nicholasville, KY 40356 (Cert. No. 7015 3010 0000 6559 9302). Service for Cert. No. 7013 2270 0001 0313 9454 was returned unsigned. A return receipt for Cert. No. 7015 3010 0000 6559 9302 was signed by John Howard, marked as agent, on 3 March 2016. *See Attached Return Ticket.* Unable to obtain a response from R.J. Corman, the Commission served the North Dakota Secretary of State as the agent for service of process for a foreign entity transacting business without a certificate of authority or an entity no longer with a registered agent pursuant to North Dakota Century Code §

Complaint

The Public Service Commission of North Dakota, by and through Advocacy Staff (Staff), for its complaint against R.J. Corman Derailment Services, LLC (RJ Corman), alleges and shows the following:

I

RJ Corman is a Kentucky Limited Liability Company that is not registered with the North Dakota Secretary of State. Its registered agent with the Kentucky Secretary of State is Kenneth D. Adams, One Jay Station, Nicholasville, KY 40356.

II

Enbridge is a foreign corporation authorized to do business in North Dakota.

III

North Dakota Century Code section 49-23-04(1) provides:

Except in an emergency, an excavator shall contact the notification center and provide an excavation or location notice at least forty-eight hours before beginning any excavation, excluding Saturdays, Sundays, and holidays, unless otherwise agreed to between the excavator and operator. If an operator determines more time is necessary for location, the operator may request a twenty-four-hour extension of the excavation or location

notice by notifying the notification center. The notification center shall notify the excavator of the extension. An excavation begins the first time excavation occurs in an area that was not previously identified by the excavator in an excavation notice.

North Dakota Century Code section 28-32-22 provides:

Unless otherwise prohibited by specific statute or rule, informal disposition may be made of any adjudicative proceeding, or any part or issue thereof, by stipulation, settlement, waiver of hearing, consent order, default, alternative dispute resolution, or other informal disposition, subject to agency approval. Any administrative agency may adopt rules of practice or procedure for informal disposition if such rules do not substantially prejudice the rights of any party. Such rules may establish procedures for converting an administrative matter from one type of proceeding to another type of proceeding.

North Dakota Century Code section 49-07-01.1 provides:

Any person who violates any statute, commission order, or commission rule which applies to matters within the authority of the commission under chapters 8-08, 8-09, 8-10, 24-09, 32-25, and 51-05.1, titles 60 and 64, and title 49 except for chapters 49-22 and 49-23, shall, in addition to any other penalty provided, be subject to a civil penalty of not to exceed five thousand dollars. A violation occurring under chapter 49-23, in addition to any other penalty, is subject to a civil penalty not to exceed twenty-five thousand dollars. The commission shall develop policies for the assessment of penalties under chapter 49-23 which will take into consideration the severity of damages and the conduct of the offender. The civil penalty may be compromised by the commission. The amount of the penalty when finally determined or agreed upon in compromise, if not paid, may be recovered in a civil action in the courts of this state.

North Dakota Administrative Code section 69-02-04-05 provides:

In any proceeding in which the commission is authorized to act after opportunity for hearing, opportunity is afforded by service of notice fixing a reasonable period of time within which any person desiring to be heard may file a protest or request for a hearing. If a protest or request for hearing is not filed within the time provided, the commission may dispose of the matter on the basis of the pleadings, other submittals, and the studies and recommendations of the staff. A party not requesting oral hearing in the party's pleading is deemed to have waived a hearing for the purpose of the decision, but not for the purpose of applying for rehearing with respect to the decision. If a person requests a hearing but does not

show good cause, the commission may determine the matter without a hearing.

IV

On October 10, 2014, the Commission received a ND One-Call Complaint from Jeremy Finnie at Enbridge. The complaint alleges a violation by RJ Corman of North Dakota Century Code section 49-23-04(1) of the One-Call Excavation Notice System.

V

By its October 13, 2014 letter, attached as Exhibit 1, Commission staff informed RJ Corman of Enbridge's complaint filing, and requested a response by October 27, 2014. As of February 2, 2016, the Commission has not received a response from RJ Corman.

VI

As alleged by Enbridge's complaint, on May 25, 2014, RJ Corman began an excavation as defined in North Dakota Century Code section 49-23-01(7) while attempting to free a track hoe that was stuck in the mud near an Enbridge underground facility at York, North Dakota. No damage was caused by this excavation.

VII

Based on its investigation Staff determined that RJ Corman personnel did not provide an excavation notice to the North Dakota One Call Notification Center (NDOC) at any time before or after the work began.

Based on its investigation, Staff concluded that there was no agreement between RJ Corman and Enbridge under North Dakota Century Code section 49-23-04(1) prior

to excavation that would relieve RJ Corman of its obligation to provide excavation notice at least forty-eight hours before the excavation.

Based on its investigation, Staff concluded that the excavation was not being made in a time of emergency under North Dakota Century Code section 49-23-04(4), allowing the excavator to give notification after the start of the excavation.

VIII

RJ Corman violated North Dakota Century Code section 49-23-04(1) by failing to provide an excavation notice to the NDOC Notification Center at least forty-eight hours before beginning its excavation.

IX

The North Dakota Public Service Commission Damage Prevention Plan provides:

D PROPOSED CIVIL PENALTIES:

1. The following criteria must be used by Commission staff to determine if a civil penalty should be proposed when filing a formal complaint:
 - a. The nature, circumstances and severity of the complaint;
 - b. The degree of suspected fault on the part of the respondent;
 - c. The respondent's history of prior violations or complaints;
 - d. The respondent's ability to pay;
 - e. Any good faith effort by the respondent in attempting to achieve compliance; and
 - f. The effect the penalty may have on the respondent's ability to continue in business.

X

The Respondent must serve an answer to this complaint upon the Complainant and the Commission within twenty days after service of the complaint, or the Commission may deem the complaint to be admitted. Answers must be served in the manner allowed for service under the North Dakota Rules of Civil Procedure.

Prayer for Relief

Based on the foregoing, Staff seeks the following relief:

1. That the Commission find RJ Corman in violation of North Dakota Century Code ch.49-23 for failing to comply with the One Call requirements enumerated in North Dakota Century Code section 49-23-04(1).
2. That the Commission impose an appropriate civil penalty up to \$25,000, but at least \$500.
3. Such other relief that the Commission finds just and proper.
