Little Muddy Creek Pipeline & Epping Station Project  
Williams County  
Case No. PU-14-769  
Our File No.: 65-363-002

Dear Mr. Nitschke:

In response to Ms. Prescott's November 15, 2016 letter, please be advised that construction on the captioned project commenced on January 4, 2016 and was completed on January 26, 2016. The filing of monthly construction updates was overlooked because construction was completed in less than one month. Meadowlark will file the as-built surveys as soon as possible.

If you have any questions, please contact me at your convenience.

Very truly yours,

  
John W. Morrison
