Little Muddy Creek Pipeline & Epping Station Project
Williams County
Case No. PU-14-769
Our File No.: 65-363-002

Dear Mr. Lein:

Thank you for your letter dated March 14, 2017 requesting that the electronic version of the as-built surveys for the Little Muddy Creek pipeline be filed with the commission.

On March 9, 2017, we filed a thumb drive with the electronic versions of the as-builts, together with eleven hard copies of the as-builts. Later that day, Mr. Hamre requested that we provide him with a PDF version of the same, and the letter to which you refer was in response to that request.

If you have any questions or need any additional information, please let me know.

Very truly yours,

John W. Morrison
