Re: Damage Prevention Enforcement, Case No. PU-14-799

On November 5, 2014, the Commission received a North Dakota One-Call Complaint form from Jennie Jamison at One Call Concepts, Inc., of Hanover, Maryland (OCCI). The complaint indicated a violation by Ron Foster Construction (Foster) of New Town, North Dakota, of North Dakota Century Code chapter 49-23: One-Call Excavation Notice System. In its Complaint, OCCI states that utility locate services were provided for Foster in 2013 and 2014 for which compensation has not been received in the amount of \$58.30.

On January 29, 2015, Commission staff was notified by OCCI that OCCI had received payment from Foster on January 12, 2015, for the balance owed.

Staff recommends that no further action be taken and the case be closed.
