Re: Damage Prevention Enforcement, Case No. PU-14-801

On November 5, 2014, the Commission received a North Dakota One-Call Complaint form from Jennie Jamison at One Call Concepts, Inc., of Hanover, Maryland (OCCI). The complaint indicated a violation by Merryman Excavation, Inc. (Merryman) of Woodstock, Illinois, of North Dakota Century Code chapter 49-23: One-Call Excavation Notice System. In its Complaint, OCCI states that utility locate services were provided for Merryman between 2013 and 2014 for which compensation has not been received in the amount of \$70.40.

On December 15, 2014, Commission staff was notified by OCCI that OCCI had received payment in full of the outstanding balance in the amount of \$70.40.

Staff recommends that no further action be taken and the case be closed.
