Re: Damage Prevention Enforcement, Case No. PU-14-802

On November 5, 2014, the Commission received a North Dakota One-Call Complaint form from Jennie Jamison at One Call Concepts, Inc., of Hanover, Maryland (OCCI). The complaint indicated a violation by King Contracting of Lincoln, Nebraska (King) of North Dakota Century Code chapter 49-23: One-Call Excavation Notice System. In its Complaint, OCCI states that utility locate services were provided for King between 2009 and 2012 for which compensation has not been received in the amount of \$162.25

On April 4, 2015, Commission staff was notified by OCCI that OCCI had written off the outstanding balance of \$162.25.

Staff recommends that no further action be taken and the case be closed.
