RE: Outstanding Balance Complaints

Dear Ms. Jamison,

At its June 17, 2015, Administrative meeting, the Commission discussed third party damage complaints filed by One Call Concepts, Inc., concerning non-payment of utility locate services. Our records indicate that 33 such complaints have been filed with the Commission since 2014.

The Commission has jurisdiction for determining whether violations of North Dakota Century Code chapter 49-23 have occurred and, if so, determining whether a penalty should be imposed. The Commission does not have authority to require payment of costs or damages owed to complainants.

Please contact Julie Prescott at 701-328-4188 with any questions regarding this correspondence and thank you for the work you do in keeping the public safe.

Sincerely,

Brian P. Kalk  
Commissioner
