The period subject to the Late Payment Charge shall commence on the 31st calendar day after the invoice date, and continue from month to month until the delinquent balance is resolved.

Late payment charges do not apply to the disputed portion of unpaid balances, if resolved in favor of the Customer. The disputed portion of unpaid balances, if resolved in favor of the Company, may be subject to the late payment charge as of the original due date noted on the Customer's bill. Undisputed amounts of the same bill may be subject to the late payment charge if they remain unpaid by the due date noted on the Customer's bill.

Collection procedures and security deposit requirements are unaffected by the application of the late payment charge.
