RE: Meadowlark Midstream Company, LLC / PU-14-823
10-inch Crude Oil Pipeline – Divide to Burke County Siting Application
OAH File No. 20140496

Dear Ms. Jeffcoat-Sacco:

Please find enclosed the exhibit list along with the exhibits submitted at the March 30, 2015, hearing in the matter of Meadowlark Midstream Company, LLC / PU-14-823. The late-filed exhibits are to be filed directly with the Commission by Meadowlark Midstream. I have also enclosed the digital recording of the hearing.

Please be advised that Exhibit 4 is a CD of the Application filed by Meadowlark in the above-referenced matter. Meadowlark provided testimony at the hearing explaining that the North Dakota State Historic Preservation Office (“SHPO”) requested that an updated version of the Application be filed to replace the existing version on file with the Commission. The version of the Application contained on the Exhibit 4 CD is an identical version of the filed Application with the exception that certain sensitive cultural resource information has been redacted at the request of the SHPO.

We will keep our file open pending resolution by the Commission. Please send us a copy of the final order when issued and I will close the file at that time.

Thank you for your attention to this matter.

Sincerely,

Wade C. Mann
