In re: Meadowlark Midstream Company, LLC
10" Crude Oil Pipeline – Divide to Burke County
Case No. PU-14-823
Our File No.: 65-363-003

Dear Mr. Nitschke:

At the hearing of this matter on March 30, 2015, Meadowlark was requested to supplement the record with two exhibits relating to whether zoning permits were required in either Divide or Burke Counties and a brief description of Meadowlark's control room in The Woodlands, Texas. Eleven copies of late-filed Exhibits 7 and 8 are enclosed with this letter. The originals will be filed upon receipt.

Also enclosed please find eleven copies of each of the waivers from Claus H. and Carol A. Paradies and from Robert L. and Kathryn Westlie, who are co-owners of the structure to the west of the Divide station.

If you have any questions or need additional information, please let me know.

Very truly yours,

John W. Morrison

RE: Meadowlark Midstream Company, LLC – Global Stampede Pipeline
T161N-R100W-2: Lot 1

Mr. and Mrs. Paradies:

Please review the attached site map noting the proposed location of an underground pipeline and associated facilities that are included in the Global Stampede Pipeline Application that Meadowlark Midstream Company, LLC intends to file with the North Dakota Public Service Commission (“Pipeline Project”). The Pipeline Project involves construction of a new approximately 46.1 mile long 10-inch diameter crude oil underground pipeline and associated facilities, including an aboveground tank on the western end of the pipeline. The attached site map indicates that the Pipeline Project will be located within 500 feet of your residence or business.

By signing below you are confirming that you have no objection to the Pipeline Project, or the future operation and maintenance of the Pipeline Project. Your cordial cooperation in this manner is greatly appreciated.

Respectfully,

Nathan Brady
