Subject: PU-14-829 Notification of Personal Injury

On Wednesday September 23, 2015 a contracted employee performing steel erection work suffered bodily injuries due to a fall. The employee was subsequently airlifted from the PGS site to the regional hospital in Minot, ND.

It is our understanding the employee is currently in stable condition; however, significant injuries occurred.

An incident investigation is currently on-going.

We will keep the Commission informed on this situation as additional information becomes available.
