To: Legal Division of the ND Public Service Commission, Attn. Steve Kahl, Executive Secretary, John Hamre, Legal Assistant

Let this email message serve as Notice to you and all attorneys, representatives and staff involved, that I have closed my file relating to all Dakota Access Pipeline legal matters. I further ask that you remove my name from future involvement, mailings and service of process.

This applies to Case No PU-14-842 and any other active or inactive cases regarding Dakota Access Pipeline, LLC.

Several years ago, I represented private land owner, Douglas E. Bopp (now deceased) as the Dakota Access pipeline was planned to cross my client's land in rural Morton County. My client eventually settled the several issues presented and my case file was closed. For some unknown reason, I failed to timely give this notice.

I ask that the legal department of the ND Public Service Commission also forward this notice to all attorneys, law firms, hearings departments, staff and all parties involved; They too should remove my client and myself from future US mail and service of process.

If you have any questions or comments, please feel free to contact me.
