Oil Pipeline Tariff Filing

E-FILED

North Dakota Public Service Commission
State Capital – 12th Floor
Bismark, ND 58505 - 0480
Attn: Public Utility Division

Tariff Department:

Enclosed for filing with the North Dakota Public Service Commission (NDPSC) are seven copies of the following tariff issued by North Dakota Pipeline Company LLC (North Dakota Pipeline):

- NDPSC Tariff No. 11, canceling NDPSC Tariff No. 9

This tariff bears an issuance date of December 23, 2014 and an effective date of February 1, 2015.

Explanation of Tariff Filing

NDPSC Tariff No. 11 establishes an initial gathering service and charge at Tioga (Ramberg/Beaver Lodge Station), North Dakota (see Table 7). The \$0.1087/bbl interconnection rate resulted from a request for a pipeline interconnection with Enable Midstream Partners to facilitate receipts into the North Dakota Pipeline at Tioga (Ramberg/Beaver Lodge Station), North Dakota. Only shippers utilizing this service will be subject to the applicable charge.

Pursuant to 18 C.F.R. 342.2(b), attached to this filing is an affidavit attesting that this rate has been agreed to by at least one non-affiliated shipper who intends to use the service in question.

In addition, NDPSC Tariff No. 11 also makes the following changes:

- The governing rules and regulations and contact information on the first page of the tariff have been updated.
- Each table clarifies that rates and charges are payable in U.S. dollars.

- In Table 7, the names of three connecting carriers have been updated to reflected changes in ownership.

Notification

I hereby certify that the North Dakota Pipeline has, on or before this date, delivered copies of the above tariff to each person on the North Dakota Pipeline subscriber list by electronic means or by other means agreed upon.

Pursuant to 18 C.F.R. 343.3 of the Commission's regulations, it is requested that any protest related to this tariff filing be sent via facsimile to Feisal Gazie at (403) 508-3140.
