Bismarck, ND 58505-0480

RE: Case No. PU-14-852  
Basin Electric Power Cooperative  
Lonesome Creek Station Phase III Project

Dear Mr. Kahl:

In accordance with the North Dakota Public Service Commission Case No. PU-14-852 Certification Relating to Order Provisions, enclosed please find as-built facility information for Basin Electric Power Cooperative's Lonesome Creek Station. Electronic as-built files that can be imported into ESRI GIS Mapping software for the Lonesome Creek Station are provided on the enclosed USB flash drive.

The facility design specifications and as-built information for previously constructed Units 1 through 5 were submitted to the North Dakota Public Service Commission on April 26, 2017.

If you have any questions or require additional information, please contact me at 701.557.5495 or [ksolie@bepc.com](mailto:ksolie@bepc.com).

Sincerely,

A handwritten signature in blue ink, appearing to read "Kevin L. Solie".

Kevin L. Solie, P.E.  
Senior Environmental Compliance Administrator
