Targa Badlands LLC
Little Missouri Gas Plant Expansion – McKenzie
Siting Application

Case No. PU-14-853

NOTICE OF FILINGS AND NOTICE OF HEARING
January 21, 2015

On December 31, 2014, Targa Badlands LLC, filed an application for a Certificate of Site Compatibility for the proposed Little Missouri Gas Plant Expansion project in McKenzie County, North Dakota, as shown on the attached map. The project consists of equipment and associated facilities for processing approximately 273 million standard cubic feet of natural gas per day.

On January 21, 2015, the Commission deemed complete the application for a certificate of site compatibility.

A public hearing on the application is scheduled for **April 15, 2015 at 9:00 a.m. Central Time, at Teddy's Residential Suites, 113 9th Avenue SE, Watford City, North Dakota 58854.** The issues to be considered are:

1. Will the location, construction and operation of the proposed facility produce minimal adverse effects on the environment and upon the welfare of the citizens of North Dakota?
2. Is the proposed facility compatible with the environmental preservation and the efficient use of resources?
3. Will the proposed facility location minimize adverse human and environmental impact while ensuring continuing system reliability and integrity and ensuring that energy needs are met and fulfilled in an orderly and timely fashion?
