[T149N R98W Sections 29-30]  
Class III Cultural Resources Inventory Report and Site 32MZ474

Dear Mr. Salazar:

We have received and reviewed **15-0177a PSC**: "Targa Badlands LLC's Little Missouri Gas Plant Expansion: A Class III Cultural Resource Inventory in McKenzie County, North Dakota," by Dierdre Snortland-Banks (Metcalf Archaeological Consultants, March 2015) and find it acceptable. We concur with a "No Significant Sites Affected" determination provided the project is of the nature stated and it takes place in the location plotted and mapped in the project documentation. We also concur that site 32MZ474 is not significant and is not eligible for listing in the National Register of Historic Places.

Thank you for the opportunity to review this project to date. If you have any questions please contact Susan Quinnell, Review and Compliance Coordinator at (701) 328-3576, e-mail [squinnell@nd.gov](mailto:squinnell@nd.gov).

Sincerely,

Claudia J. Berg
