Minot, ND 58701

NOTICE OF NONCOMPLIANCE

**RE: Case No. PU-15-31
Hess North Dakota Pipelines LLC
12-inch Crude Oil Pipeline – McKenzie & Williams Counties**

The Commission's June 22, 2015, Findings of Fact, Conclusions of Law and Order in Case No. PU-15-31 issued Certificate of Corridor Compatibility No. 168 and Route Permit No. 180 for the Project.

As-built GIS data

Paragraph 32 of the Certification Relating to Order Provisions, attached to and made part of the June 22, 2015, Order, requires that the Company provide the Commission an electronic version of the approved corridor and an electronic version of the as-built facility design specifications within 3 months of the completion of the construction. It appears the Company has not filed this GIS mapping data and is in noncompliance of the Commission's Order.

Staff requests the GIS data be filed with the Public Service Commission by February 25, 2022, to avoid further action due to noncompliance.

Best regards,

Patrick Fahn
Director, Public Utilities Division
