RE: Case Number PU-15-035 – Request to Clarify Applicant Name

Dear Mr. Nitschke:

On January 16, 2015, a Consolidated Application for a Certificate of Corridor Compatibility and Route Permit (“Application”) was submitted to the North Dakota Public Service Commission (“Commission”) in Case No. PU-15-035. The Application and supporting documentation contain inconsistencies regarding the appropriate applicant, with reference being made to both Plains Pipeline, L.P. and Plains All American Pipeline, L.P. At this time, the applicant provides clarification that the appropriate applicant name is Plains Pipeline, L.P., and requests that all reference in the Application and supporting documents be read to pertain to Plains Pipeline, L.P. Because the appropriate applicant is Plains Pipeline, L.P., the necessary corporate papers have previously been filed with the Commission in Case No. PU-11-568.

If further clarification or amended documents are necessary, or should you have any questions, please advise.

Sincerely,

A handwritten signature in blue ink, appearing to read "L. Bender", written over the word "Sincerely,".
