Melissa,

We are aware of the proposed pipeline project and all concerns have been addressed. The pipeline will be outside the 1200ft restrictive easement of our missile site and will cross our buried missile cable twice. Thanks.

Mr. Munos,

E3 Environmental, LLC (E3) has been retained by Plains All American Pipeline, LP to provide environmental consulting support for the Bison Pipeline Project. E3 provided project notification to the Minot Air Force Base Cable Affairs Office in January 2015 (see attached). Please let me know if you have any comments on the Bison Project.

Thank you,

Melissa Schmit
