RE: Response to MDU's Interim Refund Compliance Filing
Case No. PU-15-90

On November 4, 2015 the Commission issued Findings of Fact, Conclusions of Law and Order approving the Settlement Agreement in the above captioned case.

On March 4, 2016 Montana-Dakota Utilities Co. (MDU) filed its Interim Refund Compliance Filing. The filing details the refunding of 40.423% or \$964,498 of collected interim rates as agreed upon in the settlement agreement and ordered by the Commission.

Staff has reviewed the filing to ensure that it is consistent with the August 26, 2015 Settlement Agreement as ordered by the Commission. This resulted in a refund of \$6.89 for the average residential customer. Staff believes that MDU's filing complies with the Commission's Order and is consistent with the calculations detailed in the Settlement Agreement.
