Subject: Exchange Boundary Change

Patrick:

Attached is the letter you received last week from CenturyLink and Reservation Telephone requesting an exchange boundary change in the Fairfield exchange. Mr. Aslakson has informed me that your Public Service Commission CPCN records show those customers under that NSX as being under the Sidney exchange. It is my understanding that you are correct. They are served out of we often refer to as the Sidney/Fairview exchange for CenturyLink. Please call if you have any questions.
