In re: Bridger Pipeline LLC – Case Number
PU-15-097

Dear Mr. Nitschke:

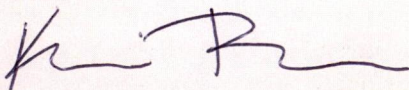

Please find enclosed a copy of a letter from the State Historical Society of North Dakota (SHSND) documenting their review of the Class III archaeological studies performed for Bridger Pipeline LLC's proposed 16-inch crude oil pipeline in Billings and Stark County.

You will note the SHSND concurred with Metcalf Archaeological Consultants, Inc. conclusion of "No Significant Sites" impacted by the project.

Keitu Engineers & Consultants, Inc. had previously submitted this information before Case Number PU-15-097 was assigned. We are pleased to resubmit the SHSND letter of concurrence to ensure this information is filed correctly.

If you have any questions, please let me know. Thank you.

Sincerely,

Karine Becker
Project Manager
