Dear Mr. Nitschke:

On January 5, 2016, the North Dakota Public Service Commission (“Commission”) issued Findings of Fact, Conclusions of Law, and Order (“Order”) granting Certificate of Corridor Compatibility Number 177 and Route Permit Number 189 to Sacagawea Pipeline Company, LLC (“Sacagawea”) for the Sacagawea Pipeline Project (“Project”). Since issuance of the Order, Sacagawea has determined that corridor and route adjustments less than 1.5 miles in length outside of the corridor designated for the Project are necessary to accommodate landowner requests and construction activities. No known exclusion or avoidance areas, as defined in North Dakota Administrative Code §§ 69-06-08-02(1) and (2), will be affected by construction activities associated with the corridor and route adjustments.

Therefore, enclosed for filing please find an original and ten (10) copies of the following documents in support of Sacagawea’s notification for route adjustments under North Dakota Century Code § 49-22-16.3(3):
