**Re: Sacagawea Pipeline Company, LLC -
Case No. PU-15-114 -Notification of Route
Adjustment under N.D.C.C. § 49-22-16.3**

Dear Mr. Nitschke:

On January 5, 2016, the North Dakota Public Service Commission (“Commission”) issued its Findings of Fact, Conclusions of Law, and Order granting Certificate of Corridor Compatibility Number 177 and Route Permit Number 189 to Sacagawea Pipeline Company, LLC (“Sacagawea”) for the Sacagawea Pipeline Project (“Project”). On July 1, 2016, the Commission issued its Findings of Fact, Conclusions of Law, and Order on Amended Corridor and Amended Route for the Project (“Order”) and issued to Sacagawea First Amended Certificate of Corridor Compatibility No. 177 and First Amended Route Permit No. 189.

Since issuance of the Order, Sacagawea has determined that a corridor and route adjustment less than 1.5 miles in length outside of the corridor designated for the Project is necessary. No known exclusion or avoidance areas, as defined in North Dakota Administrative Code §§ 69-06-08-02(1) and (2), will be affected by construction activities associated with the corridor and route adjustment.

Therefore, enclosed for filing please find eleven (11) copies of the following documents in support of Sacagawea’s notification for route adjustment under North Dakota Century Code § 49-22-16.3(3):

- Certification of Troy Andrews, with accompanying exhibits:
 - Exhibit A: Route and Corridor Adjustment Chart;
