RE: Discontinue Business – Roving Grain Buyer
Kelly J. Westby Trucking

On July 21, 2016, the Commission received notice from Kelly J. Westby Trucking that it does not wish to renew its Roving Grain Buyer's License effective August 1, 2016. Mr. Westby has accepted a position with another grain business and will not be operating as an independent roving grain buying.

Staff recommends the request be approved. A corresponding Motion and Order are attached.
