**SUBJECT: Application for a Certificate of Corridor Compatibility and Route Permit for the Dickinson Transmission Line, Stark County, ND**

Dear Mr. Nitschke,

On behalf of Dickinson Wind, LLC ("Dickinson Wind"), a subsidiary of NextEra Energy Resources, LLC, Tetra Tech is pleased to provide you one original and ten copies of the Application for a Certificate of Corridor Compatibility and Route Permit for the Dickinson Transmission Line. A CD with electronic copy is also enclosed for your convenience. Pursuant to North Dakota Administrative Code § 69-06-05-01(4), Dickinson Wind has served a copy of the application on the Stark County Auditor.

Wetland and cultural resources surveys are underway; these reports will be submitted to the PSC once they are complete by May 2015. We respectfully request that a Certificate and Route Permit be issued in June 2015.

Please feel free to contact me at (512) 213-8501 or [Anne-Marie.Griger@tetrattech.com](mailto:Anne-Marie.Griger@tetrattech.com) if you have any questions. We look forward to your comments.

Sincerely,

**TETRA TECH, INCORPORATED**
