Dear Lynelle:

Calvin Grinnell
New Town

We reviewed NDSHPO REF.: 15-0869B PSC "Addendum II Vantage West Spur Pipeline: A Class III Cultural Resource Inventory in Williams County, North Dakota," by Douglas Davidson (Ethnoscience, July 2015). And find it acceptable. If consulted by a state agency, we would concur with a "*No Significant Sites Affected*" determination provided the project is of the nature stated and in takes place in the locations plotted, mapped, and described in the aforementioned project documentation.
