RE: Roving Grain Buyer License

On April 29, 2015, the Commission passed a motion approving the roving grain buyer license application for BP & Sons Grain and Storage, Inc. Enclosed is North Dakota Roving Grain Buyer License Number 3208. State law requires that a roving grain buyer have the buyer's license in possession at all times. Enclosed for your information are colored posters that address credit-sale contracts and procedures for resolving grain grade disputes.

State law requires that licensees submit a monthly report within 30 days of the end of each month, even if no business is conducted during a month. Information from the monthly reports pertaining to the volume of grain handled is **CONFIDENTIAL** and not a public record. This report is available on the Commission's website at <http://www.psc.nd.gov/forms/grain/roving-grain-buyer-monthly-report.pdf>. If you file electronically, complete the fillable form, click on the "E-mail to the Commission" button and send the e-mail message that is automatically created. If you want a copy of the report form for your records, you must print the form prior to forwarding it to the Commission.

Our laws and rules are also available at <http://www.psc.nd.gov/jurisdiction/grain/index.php>. Please call me at 701-328-4070 if you have any questions.

Sincerely,
