Case No. PU-15-174

NOTICE OF OPPORTUNITY FOR HEARING

May 13, 2015

On November 13, 2013, in Case No. PU-13-64, the Commission issued Certificate of Site Compatibility Number 36 to Courtenay Wind Farm, LLC authorizing construction of a 200 MW Courtenay Wind Farm Project in Stutsman County, North Dakota.

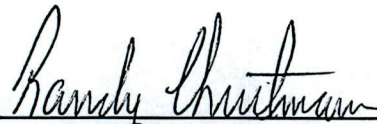

On April 30, 2015, in Case No. PU-15-174, Northern States Power Company (NSP) filed an application for transfer of Certificate Number 36 from Courtenay Wind Farm, LLC to NSP.

The issues to be considered in Case No. PU-15-174 are whether NSP agrees and is able to comply with the terms and conditions of the permit for construction and site certificate issued to Courtenay Wind, and whether the requested transfer is compatible with the public interest.

Those interested are invited to comment on the application in writing. Persons desiring a hearing must file a written request identifying their interest in the proceeding and the reasons for requesting a hearing. **Comments and requests for hearing must be received by June 30, 2015.** If deemed appropriate, the Commission can determine the matter without a hearing.
