**Re:** Case No. PU-15-209, Riverside Welding, Inc., Damage Prevention Enforcement

On May 11, 2015, the Commission received a North Dakota One-Call Complaint form from Jennie Jamison (Jamison), Bookkeeper at One Call Concepts, Inc. (OCCI) of Hanover, Maryland. The complaint indicated a violation by Riverside Welding, Inc. (Riverside) of Williston, North Dakota, of North Dakota Century Code chapter 49-23: One-Call Excavation Notice System. In her complaint, Jamison states that OCCI provided utility locate services for Riverside between 2014 and 2015 for which compensation had not been received by OCCI in the amount of \$40.70.

Commission staff were notified by Jamison on May 27, 2015, that OCCI had received payment in full for the outstanding balance. In her email dated June 9, 2015, Jamison indicated that OCCI no longer wishes to pursue Commission action on the complaint.

Staff recommends that no further action be taken and the case be closed.
