RE: Revision 29 to Permit NACT-0401

Dear Mr. Deutsch:

We have reviewed the Coteau Properties Company's application for revision number 29 to Surface Coal Mining Permit NACT-0401. We have no objection to the revision which makes routine updates throughout the permit. The department recommends updating the NDPDES Storm Water Permit information in Section 1.3.5 of the permit. The storm water permit coverage number should be changed from NDR01-0017 to NDR32-0017. In addition, the renewed date should be changed from July 1, 2009 to January 1, 2015.

At this time, the department has no further comments regarding this revision.

Sincerely,

Dallas Grossman
