Dear Mr. Nitschke:

In a letter dated September 6, 2016 from the North Dakota Public Service Commission ("Commission") acknowledging receipt of NST Express, LLC's ("NST Express") N.D.C.C. §§ 49-22-16.3(1) and (3) filing for the NST Express Pipeline Project ("Project"), the Commission requested that copies of the associated McKenzie County conditional use permit and easement be submitted to the Commission. In addition, Certification Provision No. 3 of the Commission's October 14, 2015 Findings of Fact, Conclusions of Law and Order issuing a Certificate of Corridor Compatibility and Route Permit for the Project requires NST Express to file copies of permits with the Commission.

1. McKenzie County letter regarding Conditional Use Permit for pipeline interconnection, dated October 19, 2016; and
2. First Amendment to Surface Easement, dated September 19, 2016.

A copy of this letter is also enclosed. An electronic copy of the above-referenced documents and this letter were filed with the Commission today via e-mail.
