Re: North Dakota Intrastate Access Coalition  
North Dakota Tariff No. 1

Dear Mr. Nitschke:

John Staurulakis, Inc. ("JSI") files the enclosed tariff material on behalf of North Dakota Intrastate Access Coalition North Dakota Tariff No. 1 issuing carriers ("issuing carriers") listed at Appendix A. Proposed revisions are made in compliance with current Federal Communications Commission ("FCC") rules governing intercarrier compensation. The proposed revisions bear an effective date of July 1, 2015. An original and six (6) copies are provided as well as an electronic copy.

National Exchange Carrier Association ("NECA") interstate switched access rates are expected to increase effective July 1, 2015, thereby increasing the capped rates which the issuing carriers must match for terminating access by July 1, 2015.<sup>1</sup> The issuing carriers' rate tables established in 2012 to provide for the rate transition period through the year 2020 reflect proposed revisions resulting from NECA's increased switched access rates. Rates are based on illustrative rates provided by NECA on April 24, 2015 (see Exhibit 1). If NECA rates approved by the FCC differ from those proposed in this filing, rates will be adjusted to match the approved NECA rates. Issuing carriers' interstate terminating switched access rates are contained in NECA Tariff F.C.C. No. 5 which may be found at [https://www.neca.org/Tariff\\_5.aspx](https://www.neca.org/Tariff_5.aspx).
