RE: Discontinue Business
North Central Farmers Elevator – Hague, ND

The Commission received a Request to Discontinue Business from North Central Farmers Elevator of Ipswich, South Dakota for its grain warehouse at Hague, North Dakota. North Central Farmers Elevator notified the Commission it has obtained a federal warehouse license through the United States Department of Agriculture and filed a corresponding facility-based grain buyer license application. Grain obligations will not change under the facility-based grain buyer license.

I recommend the request be approved. A corresponding motion and order are attached.
