

Victor Schock
Public Service Commission
Dear Sir:

In response to your letter dated 6-11-15
about a violation of the one call law.

Because of the amount of rain days this
spring we were changing our schedule
daily and jumped ahead of a one call
locate. I realize my error and assumed
responsibility for the violation.

The only utility that was affected or
damaged was the cable company

Please direct any question to me
at 701-351-2300 -

Sincerely
Bruce Terpening
