BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF NORTH DAKOTA

IN THE MATTER OF THE APPLICATION
OF CRESTWOOD DAKOTA PIPELINES
LLC AND RANGELAND PIPELINE, LLC,
FOR A TRANSFER OF CERTIFICATE OF
CORRIDOR COMPATIBILITY NO. 123
AND ROUTE PERMIT NO. 132 FOR THE
OPERATION OF AN APPROXIMATELY
20.5-MILE-LONG 10-INCH CRUDE OIL
PIPELINE AND ASSOCIATED FACILITIES
IN WILLIAMS COUNTY, NORTH
DAKOTA

CASE NO. PU-15-___

**APPLICATION FOR TRANSFER OF CERTIFICATE OF CORRIDOR
COMPATIBILITY AND ROUTE PERMIT**

Pursuant to Chapter 49-22 of the North Dakota Century Code, Article 69-06 of the North Dakota Administrative Code, and Section 69-02-02-04 of the North Dakota Administrative Code, Crestwood Dakota Pipelines LLC (“Crestwood”), successor by name change to Rangeland Pipeline, LLC (“Rangeland”) (hereinafter collectively referred to as “Applicants”), respectfully submit this Application (“Application”) for the Transfer of Certificate of Corridor Compatibility No. 123 (“Certificate”) and Route Permit No. 132 (“Route Permit”) from Rangeland to Crestwood. The Certificate and Route Permit were originally issued by the North Dakota Public Service Commission (“Commission”) to Rangeland in Case No. PU-10-637.

I. Statutory Authority.

Transfer of a certificate of corridor compatibility and a route permit are authorized under Section 49-22-07 of the North Dakota Century Code and Section 69-06-01-02(4) of the North Dakota Century Code. Pursuant to these provisions and North Dakota Century Code Section 49-

22-13(2), the Commission is not required to hold a public hearing on an application for such transfer unless, following publication of a notice of opportunity for a public hearing in the official newspaper of each county in which a portion of the facility is located, there is both a request by an interested person and a showing of good cause.

II. Background.

Pursuant to the Commission's Findings of Fact, Conclusions of Law and Order dated September 29, 2011, in Case No. PU-10-637, the Commission approved the issuance of the Certificate and Route Permit to Rangeland for the construction of a pipeline project (the "Project") in Williams County, North Dakota. The approved Project includes approximately 20.5 miles of underground pipeline extending between Rangeland Terminals, LLC's COLT Hub near Epping, North Dakota, and a storage tank located on a 16-acre site approximately 8 miles south of Tioga, North Dakota, referred to as the Beaver Lodge Meter Station Site, with a connection to Enbridge Pipelines (North Dakota) LLC and Tesoro High Plains Pipeline Company LLC transmission pipelines.

III. Application for Transfer of Certificate and Route Permit.

Applicants are requesting the transfer from Rangeland to Crestwood of the Certificate and Route Permit based on the acquisition of Rangeland, and subsequent name change, since the time the Certificate and Route Permit were issued. Specifically, in 2012, Rangeland changed its name from Rangeland Pipeline, LLC to Inergy Dakota Pipeline, LLC. A copy of the Certificate of Amendment from the State of Delaware for the name change to Inergy Dakota Pipeline, LLC is enclosed herewith. *See* Exhibit A.

In 2013, Inergy Dakota Pipeline, LLC then changed its name to Crestwood Dakota Pipelines LLC. A copy of the Certificate of Amendment from the State of Delaware for the

name change to Crestwood is also enclosed. *See* Exhibit B. These changes relate only to the name under which the Certificate and Route Permits should properly be issued, with no operational changes having occurred or anticipated in the future for the Project.

In accordance with Section 69-02-02-04(3)(c) of the North Dakota Administrative Code, Rangeland's corporate documents were filed with the Commission on December 2, 2010, in Case No. PU-10-637. As previously noted, the corresponding Certificates of Amendment regarding the name change from Rangeland to Crestwood are enclosed herewith.

As evidenced by the Certificate of Amendment for Crestwood, Crestwood is a Delaware limited liability company. Crestwood is also authorized to do business in the State of North Dakota. Enclosed herewith as Exhibit C is a Certificate of Good Standing issued by the North Dakota Secretary of State for Crestwood.

Crestwood agrees to assume the rights and obligations of the Certificate and Route Permit, as well as the conditions and limitations set forth in the Commission's Findings of Fact, Conclusions of Law and Order, dated September 29, 2011, issuing the Certificate and Route Permit. *See* Affidavit of Robbie R. McDonough, provided herewith.

WHEREFORE, Applicants respectfully request that the Commission, following publication of a notice of opportunity for a public hearing in the official newspaper in Williams County and, unless there is both a request by an interested person and a showing of good cause:

1. Grant a transfer of the Certificate and Route Permit to Crestwood; and
2. Grant such other relief as the Commission shall deem appropriate.

Dated this 12th day of June, 2015.
