RE: Discontinue Business
Hubbard Feeds, Inc. – Grandin, ND

The Commission received a Request to Discontinue Business from Hubbard Feeds, Inc. for its licensed grain warehouse located at Grandin, North Dakota. The Grandin warehouse was destroyed by fire in October 2015. Hubbard Feeds, Inc. decided it would not rebuild this 185,000 bushel facility which was originally built in 1968. Therefore it no longer needs a grain warehouse license for Grandin. Hubbard Feeds has no unpaid scale tickets and no outstanding storage obligations at this location.

Hubbard Feeds, Inc., based out of Mankato, Minnesota also operates a 477,000 bushel licensed grain warehouse at Bismarck, North Dakota. Commission Staff was informed that the license posted at the Grandin warehouse was destroyed in the fire and therefore, is not able to return the license to the Commission.

I recommend the request be approved. A corresponding motion and order are attached.
