October 2, 2015

Mr. Jeff Frohlich
Manager, Engineering & Environment
Dakota Westmoreland Corporation
Beulah Mine
P.O. Box 39
Beulah, ND 58523-0039

Dear Mr. Frohlich:

The Reclamation Division is prepared to recommend Commission approval of Revision 30 and Renewal 5 to Permit KRSB-8802 at the October 14, 2015 Commission meeting. Consequently, Dakota Westmoreland Corporation must update the Business Entity Information in Section 1.4 and Compliance Information in Section 1.5 of the permit application as required by NDAC 69-05.2-06-01(2) and NDAC 69-05.2-06-02(6), or **certify, under oath and in writing**, that the current information is **accurate, complete and up to date**. Any updated information will be subject to an evaluation of OSM's Applicant Violator System prior to permit approval. This information must be filed with our office no later than 5:00 pm Monday, October 12th.

The current bond of \$10,382,986 for Permit KRSB-8802 is sufficient to cover the remaining reclamation in the permit area and no changes to the bond are required at this time. If you have any questions, please contact this office.

Sincerely,

 James R. Deutsch
Director
Reclamation Division
