Subject: Inspection summary for Growmax (9194) – Webster  
Device: 3V5-1 , Inspection date: 4/4/17  
Inspected scale, following instructions below:

Test the scale – do not apply a new sticker,  
Perform a Site Inspection,  
Email me an Inspection Summary.

Found within tolerance (see report). Observed nothing that would indicated a problem with the floating slab.  
Recommend a permanent variance to be issued.

### Generate an Annual Report To File

To Generate a Annual Report form to be filed with the Secretary of State, select the appropriate year of the report you intend to file. This report does not contain details of a report previously filed with the Secretary of State. The annual report years reflected are an indication of the various report forms available in this site and is not an indication that an entity needs to file reports for all years. Missing years indicate that the forms for the missing year have not yet been deployed to the website, or have already been removed, and can be obtained by contacting the Secretary of State.
