Dear Brice,

The Department of Trust Lands (DTL) has received maps from Tradewinds depicting the proposed location of the wind towers, access roads, and collection lines on the School Trust property as required under paragraph #1.12 of the wind farm easement (ROW#6042). Only the first two tracts listed above will have wind farm development. The last tract, Section 36, T158N, R95W, will not have wind farm developments. The DTL approves of the proposed construction maps and they are enclosed with this letter as Exhibits B1, B2 and B3 as recognized under paragraph #1.12.

If you have questions please contact Michael Haupt at 701-328-1916. Thank you.

Sincerely,

Lance Gaebe
Commissioner
