

Judge Ward:

At the public hearing, those that testified during the public comment period were typically asked where they live in relation to the Project. Given that Lindahl Wind Project, LLC ("Lindahl Wind"), the Commission's Counsel and Staff, and the Commissioners did not have an opportunity to question Ms. Jorgensen at the public hearing, Lindahl Wind respectfully requests that the following information be included in the hearing record with respect to late-filed Exhibit No. 55: Based on the address provided in her e-mail, Ms. Jorgenson's home is located east and a little north of the occupied residence identified as TT on Hearing Exhibit No. 9, and is approximately 4.5 miles east of the area depicted on the map in that exhibit (in other words, approximately 4.5 miles east of the eastern edge of the map in Hearing Exhibit No. 9).

Please let me know if you have any questions.

Thank you.
