Dear Duane:

Calvin Grinnell
New Town

We have received and reviewed correspondence and project document for **15-0183: "Lindahl Windfarm Project: A Class III Cultural Resource Inventory in Williams County, North Dakota,"** (Andrew J. Robinson, Kadrmass, Lee, and Jackson, ROI 2218, November 2015), and find it acceptable.

Diane K. Larson
Bismarck

Chester E. Nelson, Jr.
Bismarck

We concur with a *No Significant Sites Affected* determination provided the project is of the nature stated, and that it takes place in plotted locations in the report documentation, and that recommendations outlined in Table 5, p. 111, (as attached) are followed. We have no concerns regarding visual effects on the properties surveyed. If there are project layout changes that might affect cultural resources, please re-consult this office.
