RE: PCS Case No. PU-15-482 May 2016 Monthly Report

Mr. Todd Hartleben:

Below is a summary table of construction activities for the month on May. This report may become more extensive as the project evolves, but May was the start of the project and not many activities took place. No land owner complaints during this reporting period. I haven't seen the report yet, but I understand that your team's visit last week went well. We look forward to a continuous positive working relationship with you and your team.

Date	Project Area	Description / issues	Answer Given / Action Taken
May 2nd	Laydown yard	No Issues - began topsoil removal at site laydown yard.	Top soil is stockpiled and saved for restoration at a later date.
