Re: Lindahl Wind Project, LLC and Township R/W Permitting

Dear Mr. Breckey,

Per our discussion regarding Tioga Township's permitting for right-of-way use and the requirements of the Road Maintenance Agreement (RMA), I'm providing you the location for the temporary intersection modification and two driveway entrances within the Township's jurisdiction off of 72nd Street NW.

Detail of the work and location are captured in the construction drawings with revision "B" dated 04/07/16 (described generally as "CIVIL CONSTRUCTION PLANS"). The work proposed is consistent with the intent of that indicated in Exhibit B of the RMA, to include the roads proposed for use during heavy-haul deliveries.

I trust you'll find that this meets the project's obligation to consult and seek approval on matters related to this type of activity/facility. We look forward to your response.

Sincerely,

Justin Larson
